VS

Cheryl Hart

Case # 02446

Motion for the Aid of an Attorney

I am requesting that the court help me acquire the aid of an attorney.,
and to stop all current proceedings, including subpoena for my wife to have a second
follow up deposition, until I can secure one.

I am requesting approximately three months to find suitable counsel, and I am further
requesting, that the court help me obtain one.

I find myself sitting across the table from Mrs. Hart's three attorneys, and I feel a little
overwhelmed.

For seven years, I have fought the high paid attorneys on staff for the City off Cincinnati.
I had a crime committed against me, and now I am pitted against overwhelming odds. I
am a musician and I sit across the table from three attorneys and I am asking the court to
help level the playing field. Because, surely a musician is going to make legal blunders,
in which these attorneys are planning to take advantage of.

Respectfully,

Gradual Taylor
